Fraternal Greetings

Mt. Anthony Lodge #13 F&AM cordially invites all Master Masons and their families to Bennington, Vermont for the weekend of July 24th -- 26th. Master Masons are welcome to attend the 52nd Anniversary Hill Degree on July 25, 2009. The HILL DEGREE is a day of Fraternal Brotherhood and the conferment of the Master Mason degree on one or more candidates. Officers of the Grand Lodge of Vermont will work the first section of the Master Mason degree in our historic lodge room. Following the first section, we invite everyone to a great Steak Dinner (open to the family) on the outskirts of town. The Brothers of Mt. Anthony Lodge and special guests will perform the second section in full costume at an outdoor natural amphitheater at dusk.

There will be plaques given for the youngest Master Mason in attendance, the Grand Lodge Officer who has traveled the furthest, the Lodge with the most members present, the oldest Master Mason in attendance, the Master Mason who has traveled the furthest and more.

The weekend will start with an open house reception on Friday evening July 24th at Mt. Anthony Lodge from 5:30 until 9:00 pm with snacks, conversation, lodge room tours and more.

Saturday morning July 25th will start with registration and examination of Brothers. There will be area shopping groups and discount certificates for wives and significant others. Self-guided tour maps of area historic sites will be available. There are plans being made for children fun. We are working on tickets to our local theater for an evening performance for families.

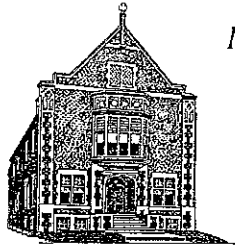

Sunday, July 26th there will be a breakfast for the families at the lodge from 7:30 until 9:30 am to say goodbyes.

We will provide a list of area motels, Inns and camping places with the registration packets.

There will be Souvenir Hats and Pins for sale.

Come have a great time and enjoy Masonry with us. See you in July!
