FROM THE EAST

Brethren:

As the Summer draws near and we all look forward to approaching plans that the warm months bring with friends and family, let us not forget to support our lodge by attending the Stated Meeting in June, as well as the Extra Meeting on June 16th for the conferring of degrees.

We are fortunate to have received a number of applicants who have expressed the desire to join our fraternity and become members of our Worshipful Lodge. In order that their prayers are honored in a timely fashion, and to ensure their speedy entry to our fraternity, we will confer degrees until each applicant has been raised to the Sublime degree of a Master Mason. Please join me in welcoming and supporting each new applicant through every stage of their Masonic journey.

Our Instructional Meetings will continue to take place on the 4th Wednesday of each month. I cannot stress enough, the importance of all officers attending these Instruction Meetings, especially with the number of new Brethren who need to practice what they have learned, and prepare for advancement.

Fraternally,
Charles C. Tarragano, PM
Worshipful Master
